We'll send you our final response within 8 weeks. This response will set out our final view on the issues raised in the complaint and whether we accept or reject the complaint. If after receiving our final response you remain dissatisfied you can refer the complaint to the Financial Ombudsman Service within six months of the date of our final response.

If we can't respond in this 8 week time period, we'll contact you to explain the delay and give you an indication of when to expect our response. If you're unhappy with the delay of your complaint at this point, you can refer it to the Financial Ombudsman Service.
